Dr. Jérôme Kunegis, Network Science Data and Consulting

The website, datasets and services related to the KONECT website (formerly available at <http://konect.cc/>) are available as a subscription service, beginning in October 2020.

Prices

Website access (six months)	€1,990.00
Website access (twelve months)	€3,590.00
Addition of a network dataset ($\leq 10^6$ edges)	€290.00
Addition of a network dataset ($> 10^6$ edges)	€590.00
Addition of a network statistic (including computation)	€2,490.00
Addition of a network plot (including generation)	€2,990.00

(reductions are possible)

Conditions

The KONECT website is hosted privately in Belgium and is made available on a per-IP basis (multiple IPs are allowed). Datasets are provided for academic use exclusively. The mentioned services do not cover the use of the data – you may use the data received from KONECT after access expires. Additional conditions may apply to individual datasets, depending on the data source.

Contracts and payments must follow all applicable Belgian laws.
